

As another year draws to a close it's customary to reflect on the challenges and triumphs of the passing year. The tragedies that have affected our nation over the past twelve months has caused us all to focus on the importance of security and being aware of our surrounding. As a nation we have reached out to support those impacted by the violence of mankind and the weather.

The Florida Capital Chapter welcomed in a new board in May 2017. Dr. James Moran has taken on the role of Chapter President with a renewed focus on securing quality programs. Chapter members had the opportunity to return to some favorite venues including Food Glorious Food, Backwoods Bistro, Gabrielle Consulting, Inc., the University Center Club, the Hotel Duval and Marie Livingston's Steakhouse as well as the chance to view new locations at Table 23, the Black Archives, Tallahassee Board of Realtors conference room and the Springhill Suites.

Thank you to all our sponsors and supplier members for your support!

Programs have covered a variety of topics including membership retention, leadership, accessibility for the differently abled and security. A special thank you to Dr. Gabrielle Gabrielli for providing three of the presentations this year. Thank you also to Jason Zaborske for providing an informative and fun education day in May and to Susan Tobin for securing a location and speaker for the October meeting as well as organizing the chapter auction.
