## ***PRESIDENT'S MESSAGE***

This year's National Education Conference was amazing in terms of the presenters and the topics addressed. It was invigorating to network with all of the talented professionals in the meeting-planning arena. We were fortunate to have wonderful weather while in Minneapolis and many great restaurants close to the hotel.

As my term as President draws to a close I know that I feel honored to have worked with the top quality Government Meeting Professionals in Florida and in the South East. The combined commitment of those involved with SGMP is a tribute to what the Society has to offer its members. We are good as individuals, but better as a large group. There is no other group like SGMP in the nation – a star unto itself. The leadership at the National level from Rob Coffman and Rob Bergeron deserves the accolades of each member. They have carried this Society through a very rough period, which would have destroyed many organizations. Justice has been served and the National Society is in good stead.

Thank you to our sponsors; Crown Plaza Orlando Downtown and the Candlewood Suites Tallahassee. We enjoyed lunch at the Candlewood Suites catered by Honey Baked Ham serving an assortment of breads, ham, turkey, beef, different cheeses, and chips along with salads, cold drinks and a delicious assortment of cookies. Thank you for your sponsorship and continued support of our chapter.

The Florida Capital Chapter was awarded the 2014-15 Chapter Honors Award for Operations at National Education Conference this year. This is the highest award our chapter has ever received and one of the highest awarded by national for chapter operations. Thank you to all of the Board members and Committee chairs for their work in achieving this honor.
