

Florida Capital Chapter Board of Directors

Your board is always working on ways to improve your chapter. Some of the things being considered is the purchase of quality AV equipment for chapter educational presentations along with a chapter banner and reusable name tags.

The board is planning a retreat in early 2018 to discuss the future of the Florida Capital Chapter and how to better serve its members. Of prime importance is recruiting members that are active in government meeting planning. Quality educational programs are also always on our agenda.

Get involved with your chapter by joining a committee, sponsoring a meeting or by providing input on what you want from the Florida Capital Chapter of SGMP.

Thank you Mary Jo Ortiz and the Hilton Daytona Beach Oceanfront for annually sponsoring the November meeting.
